Dog Dayz Adjusted Business Hours

Monday	CLOSED for disinfection
Tuesday	Open 7am to 7pm
Wednesday	Open 7am to 7pm
Thursday	Open 7am to 7pm
Friday	CLOSED for disinfection

Although we clean throughout the day on a daily basis, we want to take every precaution during this COVID-19 outbreak. We will be conducting deep, overall disinfection cleaning on Mondays and Fridays to minimize the risk of spreading.

This schedule will remain in effect until further notice. In the meantime, if your dog's regular daycare day is Monday or

Friday, we would be happy to accommodate his/her play day to another day.

Again, please stay safe and thank you for your understanding and continued support! Any questions, please do not hesitate to contact me at 302.655.5506 (facility) or 302.530.5824 (Michelle's cell).
